

Riley, Marcy and New Dawn Families,

Many thanks to all the parents that picked-up school supplies on Friday- thank you for coming! We will continue to hand out school supplies, books and laptops to students that don't have a laptop today, Monday from 9 am- 3 pm. The address is at Riley School: 5650 Mt. While students are busy meeting with their teacher for one hour a day this week, Aug 31st- Sept 4th) and doing independent district-created learning modules (these modules have been sent to students by their teachers through their online classroom- SeeSaw or Google Classroom), parents can also attend parent-centered modules about Distance Learning! Parents can access these at this link: [Parent Learning Menu](#).

Be on the look-out for your child's individual schedule coming to you in the mail! This schedule will be their official school schedule and it will start on Sept 8th. No school on Sept 7th.

If your child is having any laptop or internet issues, please see this info for help: Integrated Technology Division is committed to ensuring every student gets connected to online learning. As needed, please direct families to contact the SDUSD Family Internet Support Line at (619) 260-2460 option 1 to learn more about the multiple internet service options available and get connected.
