

Hello Riley, Marcy and New Dawn Parents and Guardians,

*It's almost time for Halloween! Our school will have week-long spirit activities for our students the entire week of Halloween- we can't wait to have some spooky fun with our students!* Please encourage your child to participate in these fun school spirit events.

**Elementary Parents Phase One Update:** Information regarding Phase One On-Site Appointments for students will be coming out next week to those parents whose child meets criteria for these afternoon one-hour appointments. Availability is determined by staff members volunteering to come site, students meeting safety behavioral criteria and academic/therapy needs that cannot be met during online learning, causing a lack of progress for students. We will be in contact with you next week if your child qualifies and your child's staff has volunteered to participate in these appointments. Please know that safety is still the number one priority for our students and our staff!
