Subject: Principal Update Sept 19

Dear Riley, Marcy and New Dawn School Parents/Guardians,

Thank you to all parents that attended Open House with your child's Homeroom Teacher! As reviewed in the Open House meeting, we want to ensure you receive copies of our school's Title One Home-School Compact and Parent Engagement Policy (links below). These are required to be shared with you since we receive Title One funds to help purchase supplemental materials and supplies for our students. This funding is a big deal to our school as it allows us to purchase differentiated materials for the different needs of our students. Funding is calculated based on parents completing the LCFF Survey each year, which will be coming your way soon! In order for us to spend these funds, our School Site Council (SSC) reviews data and votes on how to spend this money. If you are interested in serving on our SSC, please email me and let me know- we would be happy to have you join us!

I unfortunately need to please let you all know that I am dealing with medical issues and must take a few weeks off of work to heal and recover. I have tried to avoid missing work and being away from our school and students, but at this point, I must address my health issues. I will be out from September 21- October 9th. It saddens me to be out and I will be looking forward to being back! If you need help with anything, please email the following contacts at the appropriate site listed below for assistance:
